Dear Ehud:

As you know, Eric Schmidt, John Doerr, Eli Broad, Yuri Milner, Robert Kraft, Mukesh Ambani, Ari Emanuel, Patrick Whitesell and I co-host the ***Weekend with Charlie Rose*** in Aspen, Colorado. This year, ***The Weekend*** will take place from Thursday evening, September 18 through Sunday morning, September 21. We plan to bring together a very select group of leaders from the worlds of business, politics, media, finance, technology, sports, science, medicine, and the arts for a stimulating weekend of thought-provoking conversations and activities.

Weekend with Charlie Rose will begin with dinner on Thursday, followed by two days of discussions on a number of pressing global issues and ideas with some of the most sought after voices of our time. Each afternoon, we have interactive seminars in health and wellness, cooking as well as a myriad of outdoor activities including hiking, biking, fly-fishing, golf and tennis – all led by renowned experts and world-class athletes.

Ehud, we would be delighted if you and Nili were able to join us again. If you have any questions or would like to RSVP please feel free to contact Margot McGinness at margot@thinkbigllc.com or (646) 344-4110. We have invited a very select group of attendees, so please let us know at your earliest convenience if you are able to join us.

On behalf of all of my Co-Hosts, we hope to see you in Aspen this fall.

Best regards,

Charlie
